He then offered his resignation as principal of Augusta Collegiate Institute. A Committee was appointed to draft a series of resolutions upon his retirement, which subsequently reported as follows:

WHEREAS, The Rev. D. Stevenson, D. D., has tendered his resignation as President of Augusta Collegiate Institute; and

WHEREAS, He has held the position of President of this Institute for five consecutive years under this Board, maintaining a school of high grade; and

WHEREAS, The funds of the Board have been much increased by his personal labors on this behalf; therefore,

*Resolved*, 1. That in accepting the resignation of Dr. Stevenson, we desire to record an expression of our appreciation of his arduous labors, both in maintaining a school of high grade for the Kentucky Conference, and awakening an increased interest among our people in our educational work in Kentucky.

*Resolved*, 2. That we hereby express, as from year to year we have before recorded, our satisfaction at the painstaking thoroughness of the instruction given by Dr. Stevenson and his assistants.

J. D. Walsh, J. D. Hearne, and S. G. Pollard were appointed a Committee, with full power to act for the Board with regard to the Presidency of the Institute.

A subsequent meeting of the Board was held in Greenup, Ky., October 1, 1887, at which the Treasurer, J. D. Hearne, submitted his report. (See Report.)

A motion prevailed, appointing D. Stevenson, D. D., Educational Agent for the Board, allowing him twenty-five per cent on the first thousand dollars collected, twenty per cent on the second, fifteen per cent on the third, and ten per cent on all thereafter.

J. D. Walsh and J. H. Tinsley were recommended for election to the Fifth Class.

J. G. Bruce stated he had appointed L. W. Owens principal of Ayers Academy, which action the Board approved.

It was further moved that D. Stevenson be authorized to bid for the right of redemption of the school property at Barboursville, known as Union College, with the view of purchasing said property for the Board, he not giving more than one hundred dollars for said right of redemption.

The following was also adopted:

*Resolved*, That in the event the right of redemption of Union College, at Barboursville, is bid off to Dr. Stevenson, as the agent of the Board, the Treasurer, J. D. Hearne be, and he is hereby, instructed to sell the bank stock belonging to the Board, and apply the proceeds of the same towards the purchase of said property.

*Resolved*, That in the event of the purchase by the Board of said Union College, whatever arrangements or plans for conducting the school therein for the present year, be approved, or continued to the close of the school year.

No further business, the Board adjourned.

## REPORT OF COMMITTEE ON EDUCATION.

YOUR Committee on Education would submit the following report:

The subject of education is one of vast moment. It is not only, as the great statesman Burke has so wisely said, "the cheap defense of nations," but the primary condition of national development. The school must be built as well as the Church. It becomes the duty of each citizen to champion the cause which has to do with the culture and elevation of society. Different nations in the past periods of the world's history have had their ideals of civilization and manhood. With some the cultivation of the physical nature was considered supreme, and under such instruction the nations made better fighters than men. Some of them chose the intellectual as their ideal, and lost sight of the moral and physical. They made intellectual giants, but moral pigmies. Christianity proposes to draw out and cultivate the faculties and powers of the whole man.

Jesus Christ is the teacher of men, and we should value the fact that our educational institutions are under the direction of pure Christian minds. These schools should be multiplied in our country, and especially in our Church.

The real need of better educational schools in our Conference is manifest to all. We can not expect permanence in our work without the light of superior Christian schools. Educated men under God were the founders of our glorious Methodism, and the Church has always been a devoted patron of higher education. While we have, and do receive, men to our ministry who have not the highest culture, it is well understood that our standard is high.

We do not speak for the common schools of Kentucky, which so much require immediate attention, but we do earnestly urge that this Conference realize the fact that it is under a serious responsibility to provide education for the people who come to our communion and to our ministry.

The Augusta College property having been surrendered, we now have but *one* institution of learning under the supervision of our Conference Board of Education, and that is AYERS ACADEMY, which does not meet the demands of our Church in the State, although it had a fair attendance of students during the past scholastic year, and has a reasonable outlook for the future. It should receive a liberal patronage from the people where it is located.

The theological seminaries of our Church are in a flourishing condition. Boston, Drew, Evanston, and DePauw were never more popular than now. No young man should be satisfied with his preparation for the Christian ministry without adding to his academic or college course the finish of one of these valuable schools.

Your Committee would submit the following resolution:

*Resolved*, That we will preach on the subject of education, and make a special effort to increase the Educational Fund of the Conference.

We would also submit the two resolutions adopted last year:

1. "That each presiding elder be requested to call an educational meeting in his district within the first six months of the coming Conference year, or else to give special attention to the subject of education at the first District Conference of his district."

2. "That at the next session of this Conference the first night of the session be devoted to the subject of education, under the management of the Board of Education of this Conference, and for the benefit of the Educational Fund."

Further, we would recommend the appointment of Rev. J. R. Eads as president of Ashland Collegiate Institute.

Respectfully submitted.

I. T. WALKER, *Chairman.*  
D. STEVENSON, *Secretary.*

### REPORT OF COMMITTEE ON TEMPERANCE.

THE Committee on Temperance submit the following report:

We regard the traffic in intoxicants as the greatest evil of this age, damaging to man in the extreme in all the relations of life—in his physical person, in his mental, social, and moral life.

But, as being more especially in our line, we desire to emphasize the fact that it is the one powerful and uncompromising enemy of the home and the Church. We believe that Satan would rather yield his grip upon every other form of wickedness combined than to give up the liquor-traffic. And we need not be surprised that the first real genuine effort at its suppression—namely, legal prohibition—arouses all pandemonium, and causes the powers of darkness to marshal their forces under the black banner, with the motto, "War to the knife, and the knife to the hilt." Let us not be deceived. "To resist such a foe successfully will require our mightiest efforts."

We feel that we can not do better than to reaffirm our convictions expressed in the very carefully prepared platform of principles adopted by this Conference last year, namely:

"I. Believing that the constitutional prohibition of the liquor-traffic is the real and only goal that Christians ought to aim at, and that will suffice to wipe out this awful stain on the face of our nation, we would, therefore, urge the preachers of the Conference to keep this always before the people.

"II. We affirm our belief that tax laws or license, as a means of legislation against the liquor-traffic, is productive of no good results, but rather a source of great evil, because it stamps with the sanction and approval of the State this wicked traffic.

"III. Believing that the temperance cause will be greatly promoted by the dissemination of scientific knowledge respecting the deleterious effects of alcohol upon the human system, we respectfully urge the Legislature to pass a law requiring that instruction on that subject be given in the public schools of the State."

"IV. That whenever genuine prohibition of the liquor-traffic can be secured to any extent by local option laws, without involving us in the support of license or taxation, we will accept such laws as a step toward the goal we seek, and co-operate in securing and enforcing such laws.

"V. And finally we obligate ourselves, as a Conference, that, 'in the spirit of that wisdom and charity which the Gospel enjoins, we will urge our people to stand *religiously* with us on this platform of Christian independence in aggressive warfare upon the nefarious liquor-traffic.'"

### REPORT OF COMMITTEE ON SUNDAY-SCHOOLS AND TRACTS.

THE Sabbath-school is the Christian wonder of the modern world. It is impressing the rising generation and bringing it under the transforming light of God's Word as no other instrumentality is doing. Its past achievements only faintly reveal its future potentiality. The simple facts of its work in our own midst demonstrate that it deserves universal en-

couragement and support. The Sabbath-schools of the Kentucky Conference poured \$958.25 into the treasury of missions in the last year, which is three-fifths of the amount paid by the Church for the same purpose.

The membership of our Sabbath-schools is 9,910, over one-half that of our Church in Kentucky. The number of conversions in the last year was 580. But many children in Kentucky need to be turned from the desecration of God's Holy Day to the benediction of the Sabbath-schools.

We recommend a larger attendance of parents and adults, that there may be more reserve force for teachers, and that the schools may enjoy the cheering presence of the heads of families.

The efficiency of tracts will last as long as the printed page is a vehicle of the truth to the heart of man. We suggest increased activity in this department, and that our preachers apply to the Tract Society for a return in tracts of one-third the joint collection of the Sunday-school Union and the Tract Society.

W. H. CHILDERS, *Chairman*.

W. G. BRADFORD, *Secretary*.

#### REPORT OF COMMITTEE ON FREEDMEN'S AID SOCIETY.

THE Committee appointed in behalf of the Freedmen's Aid Society, after due consideration of the subject, reaffirm, in the name of the Conference, our indorsement of, and heartily pledge ourselves to work in harmony with, the policy of the Parent Society; and, as members of the Kentucky Conference, will put forth every reasonable effort to secure in full the amount required of us for the ensuing year.

Respectfully submitted.

H. J. RAMEY, *Chairman*.

B. F. WHITEMAN, *Secretary*.

#### REPORT OF COMMITTEE ON AMERICAN BIBLE SOCIETY.

WE recognize the fact that the work of the American Bible Society is a most important one. Especially are we interested in the work of this Society within the bounds of our own Conference. It is with regret that we learn of a decrease of more than thirty thousand dollars from the receipts of last year; therefore,

*Resolved*, That we, the members of the Kentucky Conference, will urge the claims of this Society in its work of spreading the Holy Scriptures throughout the land.

C. H. WILLIAMSON, *Chairman*.

JOHN THOMAS,

J. M. OLIVER,

J. A. COLLEDGE,

C. W. SUTTON.

#### REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

THERE is power in the press. There is power for good in the literature of our Church. We therefore highly approve the *Western Christian Advocate* as an organ of our Church, and we urge its more general circulation among our people. We also recognize in the *New York Christian Advocate* an able member of the *Advocate* family, and recommend its circulation among our preachers and people. We also recognize in the *Methodist Advocate*, published at Chattanooga, Tenn., a true and able exponent of our cause in the South, and recommend it to our people. Would also insist upon a wider circulation of our books, and that all our Sunday-schools be furnished with our own literature. We also recommend the circulation of our missionary literature among our people.

Respectfully submitted.

F. GRIDER, *Chairman*.

### REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

BELIEVING the Sabbath to be a day of rest and devotion, and set apart by the Almighty for his holy worship, and that our prosperity as a nation depends on our strict observance of his commands, we therefore urge our people to keep holy the Sabbath-day, refraining from all unnecessary secular employment, and keep strictly to the old paths of our fathers in Methodism.

We also view with fear and serious apprehension the tendency to indulge in Sunday excursions and secular newspaper publications, and not only strongly condemn all such, but denounce them as wicked and contrary to the teaching of the Scripture.

JOHN G. DOVER, *Chairman.*

### REPORT OF COMMITTEE ON THE STATE OF THE CHURCH.

YOUR Committee on the State of the Church beg leave to submit that the statements of the condition and needs of our Methodism in the bounds of our Conference were fully set forth in the elaborate reports of the presiding elders, while the desires of the Conference for entrance on new fields, and for larger missionary appropriations, were expressed in adopted resolutions. Therefore we deem a further report from your Committee unnecessary.

CHAS. M. GIFFIN, *Chairman.*

### REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS.

WE, your Committee appointed to examine the District Conference Records, have much pleasure in reporting that all the districts have proper books of record. Each one is neatly kept, giving entire satisfaction.

Respectfully submitted.

JOHN G. DOVER, *Chairman.*

### REPORT OF COMMITTEE TO AUDIT ACCOUNTS.

WE, your Committee to Audit Accounts, would submit the following report:

We have examined the accounts of the presiding elders and Secretaries, and find them correct.

J. M. OLIVER,  
J. H. HERRON.

### REPORT OF COMMITTEE ON GENERAL CONFERENCE EXPENSES.

YOUR Committee on Raising the Deficiency of General Conference Expenses submit the following:

We request A. Boreing to notify each presiding elder of the charges in his district which have not raised the amounts assessed them, and that the presiding elders take immediate steps to raise said amounts and send the same to A. Shinkle.

A. SHINKLE,  
J. R. EADS,  
A. BOREING.

### THE WOMAN'S FOREIGN MISSIONARY SOCIETY.

THIS Society has a few flourishing auxiliaries within the bounds of the Kentucky Conference, where we should have a score or more. These faithful societies have made during several years a most noble record, and

brought into the treasury the past year more money than during any previous year of their history. We give praise to God, and enter upon another year with renewed energy and earnest hopes of awakened interest in places hitherto seemingly indifferent.

Let every one that reads these lines glance into lands of darkness, and realize, if possible, the debasement and woe of seven hundred millions of women and girls, two thousand millions of whom live and die every century, and three of whom cling to the skirts of every Christian woman in this land, crying out: "I thirst, give me the water of life; I hunger, give me the bread of life intrusted to *you* for *me*!" Then hear the Master's last command: "Go ye into all the world, and preach the gospel to *every creature*."

A postal of inquiry will be promptly and gratefully answered, giving desired information, and documents necessary for organizing auxiliaries, bands, etc.

CLEORA B. SAVAGE, Covington, Ky.,

*Kentucky Conference Secretary W. F. M. S.*
