There will be a penalty for late papers commensurate with the degree of lateness and the adequacy of the excuse. Papers are due in class on assigned date.

All written work must use inclusive language when reference is made to human beings (male and female). This provides for both greater inclusion and greater precision. For more information on this topic see >Guidelines for the Asbury Experience' (p.10).

**Incomplete Work:** “A grade of ‘I’ denotes that the work of a course has not been completed due to an unavoidable emergency, which does not include delinquency or attending to church work or other employment. If the work of the course is incomplete at the end of a term without an emergency, a letter grade will be given based on the grades of work done, with incomplete work counted as ‘F.’ ” From ATS 2001-03 Catalog pag. 29 (emphasis added)

**Attendance Policy:** Attendance to all sessions is expected, and because this is a five-day intensive course, missing one day of class amounts for 3 weeks of class work during a regular semester. However, one three hour session class (1/3 of the day) may be missed without makeup. After this (1/3 of the day), extra reading is required (50 pages per 1/3 of the day missed: from the recommended reading list) and a one page single-spaced paper summarizing the extra reading. If one whole day is missed—serious conversation between student and professors is needed and reduction of final grade might be required.
