June 7th. 1919.

Beloved Bro. Green,

Greetings: May "The blessings of the Lord which maketh rich and addeth no sorrow thereto" be yours continually.

I got your letter some time ago stating you were forwarding me two hundred of your books, up to the present they have not turned up, and thought I would write you about same, as they must have gone astray if you sent them either by post or freight. Kindly look into the matter at once for me, they would certainly be a boon to us just now as we could turn them in money to help us in the indebtedness of "ELIM".

Well God is still blessing us and we often feel that we should go off for a rest but the work demands our presence so much, that we find ourselves unable to do so. Pray for us!

We are having a special series of meetings now, and just closed two weeks at Frederiksted, some sought Him to save and many for heart purity, we are now having same at the Gospel Tabernacle, and God's presence is real, we are having crowds to the meetings, and many are being reclaimed, Hallelujah!

Trust you are feeling well and that your family are all so, all with me join in christian love.

Yours in Him.

*John Mayhew*
