SOUTHERN PILGRIM COLLEGE
KERNERSVILLE N C
Sept. 7, 1964.

My old friend Louis:

Your father was one of the first men to tell me ^{of} backward conditions down in this great Southland. I have now finished eleven years here at the school. We will have around 120 ^{students} when we get leveled off. During that time we have put more than 50 young people into the Lord's work.

The Missionary work that your father helped start has a membership on our various fields numbering 20,000, and ~~on foreign soil we have schools training 200 natives for~~ the ministry. With singers helping me I have spent 6 months in evangelistic work in the West Indies and South America, and saw 3337 souls definitely seeking God for salvation.

I am sending you a print to show what a man should look like as he is nearing his 86 birthday. The Lord has been good to me, as I suffer no pain, and sitting down I am able to go on with my class work. I also teach a mens class on Sunday. The committee that ordained me was Geo. B Kuip, Oswald Chambers, Arthur Greene, Juji Nakada, and A. E. Blann. That was in Sept. of 1906; only Ellwood Blann, out of that committee, is still living.

Will enclose a folder and card of the school.

In Christian love and fellowship,

H. J. Green
