The subject of the June Bible Reading is  
**The Divine Keep,**

and it will, we feel sure, be heartily welcomed by our women everywhere. It is prepared by the well-known and well loved leader in this department,

**Mrs. Hannah Whitall Smith,**

and reveals, as do all of Mrs. Smith's Bible expositions, a wonderful grasp upon the heart of the Infinite, and a clear perception of the needs of the human soul only possible to one possessing the "open vision."
