"Educate Our Mothers; or, Wise Motherhood." By Mrs. Pearsall Smith (H. W. S.). (London: James Nisbet and Co. 1s.) A small book, but full of sympathetic wisdom for mothers. It is a saying of Froebel, the well-known educationist, that "We must cultivate mothers," and Mrs. Smith has striven to do her share of the work. Many a young wife will be the better able to cope with her duties and responsibilities for having read this useful publication.

Close on Saturdays at 2 o'clock.
