Dear Madam

Referring to your
notice in "The Christian"
of to-day - I have
the volume of "The Christian"
for 1874 complete, excepting
the index, bound in
half calf. I think it is
called, in good condition
is it worth 7/6 to you &
the postage? I have
also the volume for 1872
bound in cloth boards, the
cover rather loose. The
two volumes together 12/6
& postage

Yours faithfully

H. Johnson
