Mr. W. S. McKibben
Social Circle, Georgia

Dear Mr. McKibben:

It is important that we now plan together concerning the 1956 program for your Camp Missionary Day. Your plans for speakers and workers for the 1956 Camp Meeting are no doubt already well underway.

We realize that Missionary Day is always a red letter day in every camp, and we as a missionary society are planning for the part we will have during this all-important day, in many camps throughout the nation, presenting the world-wide forward advance of the work of the OMS.

Enclosed is a self-addressed post card wherewith we can obtain general camp information. Will you kindly fill in each item, and return it to us without delay? Complete information will enable us to plan well for your particular camp.

Under "remarks" please indicate if you desire one of our missionaries as a speaker for Missionary Day. Also, state approximately when you desire advertising material be sent to you. This information will help us to follow through with your plans for your camp missionary program. We want to cooperate with you as you desire.

An early reply will be helpful to us both.

Yours for a world-witness
THE ORIENTAL MISSIONARY SOCIETY
