A BIT OF HISTORY

Since 1890 Indian Springs Holiness Camp Ground has held before the world the high claims of God in Jesus Christ. Standing firmly upon the doctrine of "holiness in heart and life," she has sounded the call each August for seventy-nine years. To her altars have come both young and old, rich and poor, learned and unlearned, to "drink freely of the fountain of life."

Her influence today circles the globe and her message is as relevant to the needs of human life as ever before.
