My dear Sir :-

Mrs. Jordan and I have wondered just how well you recovered from your ailment you were suffering with during the last week of the Camp meeting and do hope that you have full recovered your health. We came away from the meetings very much helped in a spiritual way and we can realize what it has meant to you people who have been doing so much for so many people each year for all these years.

Do drop us a card letting us know how you are.

With kind regards and thanks for letting us be with you. Very cordially, Eugene C. Jordan,
