Return to H. W. S.

From The Mind Love comes
who is giving my
hand "absent" treatment.

63-18-Street.

Chicago Nov 8-1886

Dear Mrs Smith,

Yours is just
at hand. Space is no obstacle
to Spirit. Therefore I see no
reason why you cannot be
healed in Germantown, as
well as Chicago. and as God
fills all Space - and all
Time, and His method is
One. For He's without change
The truths taught eighteen hun-
dred years ago. are just the
same to day. The Sweet Prophet
of Galilee. said "if I abide in me
and my words abide in you
ye shall ask what ye will.
and it shall be done unto
you." Now as God is all Life
all Truths all Love and

as God is a God of harmony—
all disease being discord. it
can't exist on the same
plane with harmony. As we
are made in the image
and likeness of God, harmo-
nious existence is the truth
of Being—therefore disease
being discord is the false
hood of Being, and we can
cast it from us, in the
name of Truth, — deny its
power. — and it will
disappear.

As God is Spirit, — and created
us in His own image and
likeness, and called us
children. We must be Spirit-
ual, and recipients of the
One Life, which is God. For
if we are yoked to the
Spirit — we are one with
the Spirit. — and the Law

of the Spirit — of Life in
Christ-Jesus has made us
free from the Law of
sin and death.

Where it is convenient to give
present treatment I prefer
to do so, because I think I
can not only treat the disease
but explain the Principle so
you will not turn back.

But we have this promise
in the Divine Word. that
"My Word shall not return.
to me void, but shall ac-
complish that whereunto it
is sent."

Now My dear Mrs Smith put
the thought of Ben Paralysis
far away from your mind
let it go where it came from
worthlessness. It is not the truth
of Being. For God is at hand
and so His me line and

have our being. He is Life of
our Life and soul of our
Souls. and the Soul of
the universe.

Now we need no medicine
but Divine Love, for the
Spirit-cleanser as no earthly
purgers can cleanse. I will
commence treatment Tuesday,
the 9th inst. Hope you may
be better even now. Have no
fear. neat in the Infinite
Paralysis will die, if it is not
nourished with fear, i.e. it will
disappear. Please give me
your sister's given name
and I will commence her
treatment soon as you send
the name.

Very Sincerely

Julius A. Darling

I feel sure your sister will
be benefited. By even thinking
of the treatment. for in doing this
