I have sent you 50 copies of the Indian Springs literature. Should you desire to mail any of these copies from your home town it will be necessary that you affix a 2¢ stamp over the present permit number. The post office will not accept it without this stamp.

Stencils are going to be made for a permanent mailing list. If you have any names you would like added to this list please send them to me in the next two or three days so we can incorporate them in this list.

Yours truly,

  
Joseph P. Luce
