Dear Mr. Williams:- I feel ashamed
at having said for most of the morning
your letter of Dec. 20th but various
things had happened but I really
did forget it for a while & must
excuse by during the excitement
which our candle caused it, I just
can't say that I exactly agree
about the committee but I will,
really by thinking about it seriously
& let you know something soon, I
don't know when you'll have another
board meeting, but Miss Finney can
tell you when we, Jim & I, are
a few days but will return to New
Orleans by the 15th of Dec. I am,
Yours truly,
Wm. A. Williams

Dear Bro McKim. I've been
on the sick list all this
year & am to return to the
Hospital for another operation
next week, so I see no
chance to attend Camp Meeting
I've suggested to Mr Peabody
to keep an eye on the
grounds then make you make
other arrangements.
What ever you do about the
old crowd count me in.
Hope you will have a
grand meeting - we will
be praying for you.

Sincerely
H. W. Pittman

Dear Brother Pittman:

Thank you so much for your letters of the 5th reminding me of the \$500.00 contribution from Mrs Walker and also telling me that you would be in the hospital sometime this week. We do hope that you will have complete recovery and that you will be able to attend camp meeting in August.

When you feel like talking with me a few minutes, have some one drop me a card as I want to get by to see you and talk over a few things with you.

With reference to the matter of retirement of the members of the Board at a given age. It is now my thinking to ask the Board to pass regulations retiring members from the Board at the age of 72 but making them honorary members for life. I think it would be well to let this take effect as the younger members reach that age and to make no change whatever in so far as the present members are concerned that are above that age already.

This is one of the things that I would like to discuss more fully with you at your convenience.

With kind personal regards to each of you, I remain,

Very sincerely,
