*What is the Great Commission Research Network or
GreatCommissionResearch.net?*

The Great Commission Research Network is a worldwide and professional association of Christian leaders whose ministry activities are based on the basic and key principles of church growth as originally developed by the late Donald McGavran. Founded by renowned missiologists George G. Hunter III and C. Peter Wagner, the GreatCommissionResearch.net (formally the American Society for Church Growth) has expanded into an affiliation of church leaders who share research, examine case studies, dialogue with cutting-edge leaders, and network with fellow church professionals who are committed to helping local churches expand the kingdom through disciple-making

ASIAN AMERICAN EXPERIENCE FOR THEOLOGY TODAY

255 pages, paperback, 978-0-8308-4060-1, \$25.00

THE FUTURE OF EVANGELICAL THEOLOGY

*Soundings from the Asian
American Diaspora*

Amos Yong

The shift of Christianity from the Euro-American West to the Global South invites a thorough rethinking of evangelical theology. In this bold theological proposal, Amos Yong draws on the Asian American religious experience to develop a Pentecostal global evangelical theology.

"By providing a thorough examination of the burgeoning yet essential field of Asian American theology, Yong fills a significant gap in evangelical scholarship. This book will serve as the essential text not only for Asian American readers but for everyone concerned about the future of North American evangelicalism."

PREACHING AS A MISSIONAL PRACTICE

256 pages, paperback, 978-0-8308-4070-0, \$25.00

The Mission of Preaching *Equipping the Community for Faithful Witness*

Patrick W. T. Johnson

We hear plenty of discussion about missional theology, missional leadership and missional church planting. But what about missional *preaching*? In this groundbreaking work, Patrick W. T. Johnson develops a new missional homiletic to aid preachers in their witness to the gospel of Jesus Christ in this post-Christendom world.

..... □ □ □
"Patrick Johnson brings into conversation some of the best writers in homiletics and missional ecclesiology, then invites us to practice confessional preaching that is centered on the person and work of Jesus, formed by a missional hermeneutic, and is contextual and communal. This book will help you equip the church for the sake of the world."
