**PITTMAN PARK METHODIST CHURCH**

P. O. BOX 81

**STATESBORO, GEORGIA**

LAWRENCE E. HOUSTON, JR., PASTOR

April 13, 1959

Mr. W. S. McKibben  
Social Circle, Georgia

Dear Mr. McKibben:

For sometime now I have felt that it would be wise for me to step aside as a member of the Board of Trustees of the Indian Springs Holiness Camp Ground. My duties in the local church are increasing with each passing year and I feel that in the best interest of the Camp Ground and of my own local responsibility that I should resign in favor of someone who can put more of his time and attention to this worthy work.

Words are never adequate in trying to explain ones personal feelings toward an institution like Indian Springs. It was there that many glorious spiritual experiences became mine; and it was there that I gained my first experience in working with other people; and it was there that I received the thrill of being chosen to share in the responsibility of the Board of Trustees.

My prayers have been and always will be that Indian Springs will be found faithful to her Lord in all her undertakings.

Therefore, I respectfully tender my resignation as a member of the Board of Trustees of the Indian Springs Holiness Camp Ground with the sincere desire that it be accepted. And as always I covenant with you and the Board the best in spiritual matters for the camp, ourselves and the people for whom we are responsible.

Yours in a common task,

Lawrence Houston

P.S.

I am mailing today copies of the minutes of the mid-winter meeting to the Trustees, and I am mailing you under separate cover the minutes and other materials which I have that should be passed on to a future Secretary of the Board.

Dear Brother Houston:

Your letter of the 13th tendering your resignation as a member of our Board of Trustees and also as secretary of the Board came this morning. Also the package containing the records from your office.

It is with much regret that we learn of your wish to be relieved of your responsibilities at Indian Springs. The matter will be brought to the attention of the Board at the proper time, after which you will be advised of their action.

May I express my personal appreciation for the service you have rendered our institution across the year and my earnest prayers will attend you as you devote your full time to your local church.

Very sincerely yours,

President.

Dear Brother Houston:

At the last meeting of the Board your letter of April 13th was read tendering your resignation as a member of the Board and also as Secretary to the Board.

The Board accepted your resignation with much regrets and instructed me to tell you how much we all appreciated the wonderful service you rendered during the time you served as trustee.

We hope that you will continue to come to Indian Springs and make this your home as you did in the past.

Very sincerely,

President.
