Dear Bro McKibben:

When I wrote you about Mrs Edwards and the annexes I did not know that the circulars had also been printed. You know that I am deeply appreciative of anyone who will give of their time to Indian Springs and far be it from me raise such an issue. Its just to fine Bro Gamble and Mrs Nysewander. Let us work it out to their agreeableness. I know that I am not wanting any more work there, all I wanted was to know that someone could be looked to for the job.

✓ Mrs Edwards could be of good help if they will work together, and we can easily place Mrs Edwards in charges of some of the other many camp ground ~~at~~ cottages and memoriala.

Know that my attitude is one of appreciation and gratitude for those who will help in this good place.

Regards,
