Madam,

Lady Henry Somerset has
promised to address our next Temperance
Demonstration in the Victoria Hall
Hanley on March 26. The
Ladies of this Branch of the British
Women's Temperance Association desire to
have a Meeting in the afternoon of
thesame day, & wish you to address
them & support Lady Henry at
the evening Meeting. If it will
suit your convenience to be with us
on that day I can assure you of a
most hearty welcome, & a rare
opportunity for advancing those
Temperance principles in which you
have obtained very honorable distinction.

Awaiting your reply,

Wm. Pearsall Smith
