FLOVILLA, GEORGIA  
Social Circle, Georgia.  
August 24th, 1959.

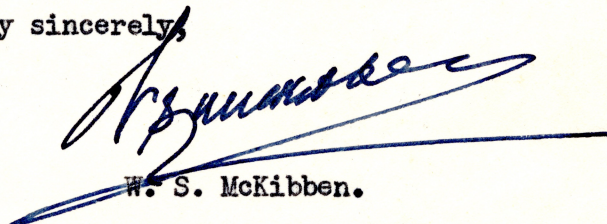

Mr. C. S. Newton,  
Homerville, Georgia.

Dear Brother Newton:

We have received the liability policy covering the trustees in the sum of \$100,000./300,000. with \$10,000. property damage with an annual premium of \$158.22 which I am placing in our box here at the Bank.

The premium for this bond is \$158.22 and if you have the money to spare I would like to receive payment on this from this years collections. This carries a very low commission and unless paid at this time will have to be carried until next August. If you do not have the funds to spare, we will carry it until next year.

Very sincerely,

W. S. McKibben.

Bro McKibben: Please have your office make up invoice showing Company, policy number ETC and then mark it paid by check #224 First National Bank Waycross. I need this for my check information.

Looks like if the pledges at hand are paid ~~90%~~ 90% we will reach our goal. I have paid Mr Luce the \$1500.00. He and family had pledges in the file for over \$2000 so I paid him and he gave me checks for the pledges... So there is no debt now in form of notes. We owe \$500 for the piano, and about \$500 balance on the beds, and I dont know who we came out on the youth building. But will say that until I can get all the reports in, that we are in good shape for

a change.
