Dear Govenor Harris:

I am writing this at your request to remind you of our conversation at Indian Springs Camp Ground on Sunday, August 6, 1989. At that time I asked you if you would write a letter or some comments to be placed in our history update booklet for our centennial celebration. You agreed, and even said you would also draw up a proclamation and read it at the Sunday, August 5, 1990, eleven o'clock service.

The history booklet is almost ready for printing. We would appreciate your remarks as soon as you can find the time in your busy schedule to write them. We would also like to request a small photo to print with it, if this is possible.

Thank you for all your support that you have given to the camp.

Respectfully yours,

Irven B. Middlebrooks
