January 5th /91.

Dear Mrs Smith.

We are having a
"Pentecostal Convention" at my
Chapel, 43 Palatine Road during
last week in January & I am
led to ask you to give up two Bible
Readings on two afternoons - one
each - during that week, say on
Thursday & Friday Afternoons!

Both my wife & self owe a debt
of gratitude to you, for
the spiritual help obtained on
reading many times your "Christian's
Secret of a Happy Life". You cannot
conceive the trouble & unhappiness
under some of life's trials from
which it has saved us. God has made
it an unpeakable blessing to us.

We want the members of our
Church - Primitive Methodist - in
this District to get more fully on the
line of your expositions of God's
truth, & we shall be so grateful
if you will favour us with your
presence & help at one or two meetings
during our Convention.

The Rev. E. J. Moore, Darlow Sergeant
Dr Miller. Rev. Joseph Bell have
already promised their help, & we do
sincerely pray that God may incline
& enable you also to assist us.

An early reply will be esteemed
a favour.

With kind regards.

I am dear Mrs Smith.

Yours in the joy of the Lord.

Joseph Johnson

P.S. If you cannot possibly come on two occasions
we of course shall be most thankful to
have one visit. We had the pleasure
of listening to you at Dr Miller's Convention
last Midsummer, at which we received a
special blessing.
