Love & P.D.

(Hammerhead
(At his bedside) Friday morning

Well beloved & much
honored Friend,

How dear of you to write,
I have only a minute
now & then - And what
is there to say I know
not. Except perhaps

looking back 2 or
3 weeks - there is a
real difference

But - the distressing
bewilderment the
vague consciousness
or unconsciousness
I don't know which

to call it ~~is~~ still dominates
Sometimes he beams out his
own sweet self - but
the beam of this underlying
true state - is so short - dreary
misery - is the oftener condition

His bodily health fairly
good - & appetite main-
tained - if only the
terrible restlessness
does not wear him

out! He has walked
in the garden a little
a few times - but is not
able to enjoy it - This
terrible heat seems to
be part of the strange
