Very dear Mr. H. W. Smith!

Annexed I send you a leaflet  
of Rev. Kayser, in south-Germany.  
He defends also Mr. R. P. Smith  
very much and is proclaiming him  
as the starting-point of the whole  
German movement of congregation  
(Gemeinschaftsbewegung.)

Your book: "The God of all comfort"  
has been printed in the German  
language by Kober, Basel, (Switzer-  
land)

Instead the name of the author  
are the initials of H. W. S. named  
Now I have to tell you also, that  
I have had no time in the last  
year for my private writing,  
because I had to pass an

examination. But to your  
pleasure I can write, that it  
is over. Wishing you lucky  
and blessed Whitsuntide and  
that Jesus, our blessed redeemer,  
the Lord, our God is near to you

I remain in Him  
your
