SHELLEY HOUSE,

CHELSEA EMBANKMENT.

Monday

Beloved Sister

I do rejoice with you - as
it will be much nearer
for Ray to have a little
sister & her companions
The boys may come in on
later group -

It will be delightful to see
you whenever you can come
my blessed comfort
- Mrs. Gurney - & this
enchanting letter if you are

writing to G. Sumner
desends it to him

Will Robert be in
Paris ~~at~~ a few days
I was turning in my mind
if he could ~~would~~ ^{would} in
this case help me a little
with Jessie

I will explain if you
think so - but I will not -
bother him for the world

Yours most lovingly grateful

Sister Will

With best love to
Mary Babb
She is so glad

much better since P. talk with me -
