Mrs Smith.

Dear sister in Christ,

Will you please inform me which you think is the best concordance of the Bible, Cruden's or Young's? Enclosed find postal card for a reply.

Your "Christian's Secret" showed me the way into the land of rest, your "Open Secret" is grand, and I enjoy your "Bible Leaflets" very much. May God bless you in all of your writing. Please answer and oblige.

Yours in Jesus

Anna Overholser
