My dear Mrs Cassall. Smith,

On looking at
my "Years Bright-Chain" I see
it is your birthday to day. May
I wish you many happy returns
of the day, praying that God
will bless you abundantly this
year, giving you physical &
spiritual strength that you
may continue to strengthen &

help so many of us as you have
done for many years. I do pray
that for our sakes, He may
spare you for many years.

It would be impossible to tell you
how much I - we - are indebted

to you for the many lessons
you have taught us, the help
you have given us by your
life your example, your prayers

& your Bible Readings, and so

to day I thank God that you
were born into this world & have

lived to celebrate this anniversary

& so I hope you will not think
it presumption on my part, to
come & wish you the good old
wish "Many happy returns of the
day" I hope to be at Brighton
on Wednesday, to listen to you.

& the message God sends by you.

I do hope our beloved President-
is getting better. I was so grieved
to hear she was so ill.

God bless & restore her speedily.

With love and reverence,

Believe me
Very sincerely yours,
Rosalie Robin

Wednesday evening

My dear Mr. Russell Smith,

You kindly said
I might write to you this evening
The Holloway Branch is much
anxious that you should give
them one of your helpful Bible
Readings at a drawing-room
meeting, with you if possible
give one either on April 13th
at Mr. Purdon, Ladbroke Park
or at Mr. Callow May 27th

Oh it was good to be there this
afternoon. I took the message the
Lord had sent me & two ladies
told me afterwards, that it was
just what they needed.

Dear Mrs Smith would that
I could walk in your shoes,
"Mrs Auckland's little bit"

nevertheless, your helpful words do
& will help me, & through me
I trust help others.

With love & reverence,

Yours lovingly

Joshua Robson
