1. Define friendship

2. " Philanthropy

They are not inconsistent proved

1. By the nature of the feelings

They are not contradictory like anger & love
Skepticism & credulity.

They are both agreeable emotions

Both see something in their objects to love ^{their objects.}
Both attended with a desire to do good to

They differ in their objects, a few mankind.

2. from the laws of mind the less being
likely to beget the greater.

Who that govern a family well will
govern a larger society - Bishops.

Obedience to the laws of land will be more
likely to be paid by those trained up to obey
parents and teachers. Religion - Faith.

Examples. Howard. Wilberforce
Wesley.

Plots - Mild

Morality

Interest of narrative

Graphic descriptions

Gorgeous imagery
