My dear Mrs Smith

I am very sorry
to read that "This series of Bible
Reading Leaflets will close with
December 1891." Have I got to stop
reading your precious thoughts
after this date? If they are to
come in any other form, please
let me know. for I want to read
all your thoughts that are public
as long as I live. It is because
my soul craves your ideas so

much, and because I can
give them to others who are
helped by them that I ask
this of you.

Lovingly

Mrs George E. Whate
