Dearest Hannah;

Of course

I mean fraternal

delegates - just as

Mr. Bart Luear

& Mr. Wright

friends came to Minneapolis

Mr. Barnes & Miss

Baker go to B. W. T. A. &

joined to my mind, the

entertainment during Convention

& warmly welcomed by "

never mind - let her say so - he is surely a fair & that enough!

so come over meet your wife & child J. C. in office in morning to meet.

They should also be
voted all the privileges
except the vote & asked
to speak - at least that
is the way we have
always treated fraternal
delegates.

Have no fear about
my mentioning Lady Sumner-
set. She must do that
- When she is elected.

- As to any allusion to the seceders
I would agree with thee perfectly.
Morgan & Scott have published mis-
representations about the matter & I
only want to correct their error -
but it is better to let it pass. Good Ellen
is starting for Europe! Perhaps
we will have to face the music right
in B. W. V. A?
