Beloved A. W. S.*

*I've had two great
opportunities of speech within
12 days. one, the International
S.S. Convention of U.S.
of Canada - meeting but
triennially; - the other,
the National Educational
Assoc. If you could
get some of the points*

enclosed into English press
-especially women's temp.
paper & penny paper-
I would be glad.

Please have this item:

+ 82 to 83 per cent of all
the public school teachers
in the U.S. are women. +

- I send you some things
our "Gloriosa" (Seovel)
with a great your letter. How
much you will think
of one another!

We now go to Asheville, N.C.
I never worked harder nor
had better health. Am trusting
the Lord for it all!
Sincerely this Traces
