Cohoes, N.Y. Dec 2.
My dear Hannah,

The enclosed
shows what good
that Capt. might
do if sent Broad
Cast to our women
asked to send it
to those of the
"Country part."

I send a prefatory
paragraph which
you can add
to or change
in consultation
with your brother.

It is my conviction
that we are not
~~mis~~ understood

Please enclose in my letter to
you Blair a copy of my sketch
if you have one.

the public in general
& that if they only
knew what a
case we have,
they would regard
us altogether in
a different light.
If the press
of the Nation would
only give these
facts to the public,

ground we should
then occupy.

Dear Great Heart!
My soul rejoices in such
women as you.
M. L. D. How I enjoyed
that brief glimpse of
you both! I wanted
to send back the 25
cts you gave me but

Dear Anna send it please be merciful &
I never noticed to send a thank you
& never have them! I am yours truly
Fannie.
