My Dear Friend - In a Sept-
No of the Signal I see a notice
that Bible Readings for the
N. C. T. W. could be had by
applying to you. I understood the
paper I have looked for it all winter
now when I see I need it most
I find the address again & hasten
to apply for them. I cannot
resist the inclination to thank you
again & again for your books.
especially "The Secret of a Happy Life"
which has led & kept me in the light
by Gods grace for two years. Many
friends have been led to drink
deeper of Gods love through its
instrumentality - I think God that He
has made you too helpful. Please pray
for the new work here which started in
School & has reached many tobacco users.
Hoping I have not intruded upon your
valuable time - I am most truly yours in Christ
