Dear Miss Mounsey

dily and I had a
very sociable journey
together but we did 'nt
travel in separate carriages
in order to gain experience!
We had such an utterly
lovely time with you,
only we don't know how
to thank you enough for
it.

We have had so many
things made clear to us,

and such lots of questions
answered that we did
not understand before,
and we have settled that
we are not going to forget
them.

We hope Cousin Lucy (Mother
will enjoy the meetings as
much as we did, only we
don't think they could
get any nicer than they
were for us.

Lily and I both send our dear
love to Mrs Smith if we
may please, and of course
to you.

We have gone into partner-
ship over this letter

always Lily and Amy.
