Christmas Card

sent out by

H. W. Smith

1886

Return to H. W. S.

I venture to say none
of you ever perpetrated
anything like this!!

Down-trodden women now arise,

No more let men thus tyrannize;

Let's push the tyrant from his throne.

And have a Christmas of our own.

*U.S. on the war-path
Christmas 1866*
