Dearest Sister Hannah

I am more grieved
than I can express at our
loss down here, you must
be heart broken & know,
for you loved her so much,
and so did I, but I must
not write in the past
tense, for it is still pre-
sent, only she is within
the veil - I write tonight
when I last saw her,
that we should meet
again in Christ's presence,

Her promotion is glorious, how
much she has solved now—
Dear Lady Henry, I do feel so
cheerful for her, at this time
of sorrow. Very much love
to yourself

Always your loving
Arthur Stone
