In your review spend 3-4 pages summarizing the content of the book and 3-4 pages evaluating the book in terms of its strengths and weaknesses.

For your sermon, choose a text directly related to the subject of holiness. Make sure that your sermon is a “biblical” sermon (i.e. a sermon which expounds the chosen text) and not merely “Christian” sermon (i.e. a sermon which is Christian in content but is only indirectly related to the chosen text).

4-Mat Reflections

To do the 4-Mat reflections (named for Bernice McCarthy's 4-Mat system) on the three texts, lay out your pages so that every pair of facing pages has these headings:

Left: Abstract Summary          Right: Concrete Stories/Memories
Reflection Evoked by the Item
Reflection Expressed as Questions
Action: What I Must Do
Because of This

Here are some explanations/guidelines adapted from Dr. Donald Joy to help you get a better grasp of the four elements in the 4-Mat system.

(a) ABSTRACT: Simply summarize the content of the book in your own words. Include as many of the key concepts and ideas as you can. Strive to be both comprehensive and intensive. The abstract should be one singlespaced page if you are typing. If you are handwriting, your abstract should be 1 & 1/2 to 2 pages in length.
Remember that meaning making requires first that you transform the reading materials into your OWN words. Effective "note taking" is more than capturing another person's words; it requires transforming a communication into your own language and symbols. Use explicit and visible QUOTE marks to identify the author's words. All other written material not clearly cited should be your own constructions and abstracted summaries of what you read.

(b) **CONCRETE:** Describe one or two personal experiences which reading the book reminded you of. Be as specific and concrete as you can, including who, what, when, where details.

If you can connect what you are reading and hearing with what you have previously lived or observed, you will be profoundly changed by the semester. If you cannot connect the semester with past and present personal realities, you will never be able to teach or use what you are learning with any conviction and effectiveness.

(c) **REFLECTION:** What questions did reading this book raise in your mind? Simply list three or four of them. Make sure they relate directly to the MATERIAL CONTENT of the book NOT to the experience(s) you have just described in b.

(d) **ACTION:** All ministry related learning MUST lead to acts of ministry—whether through transformation of your inner person or your acquiring of useful knowledge or skills. Here describe what you simply must DO if you keep faith with what you have now discovered as a result if reading this book. Include BOTH PRESENT actions you must take and actions related to your FUTURE practice of ministry.
