SM514 Christian Leadership Practicum (Entry S. Min)
(Christian Leadership Staff)

**Purpose:** This one hour, credit/no credit supervised ministry class for students in Christian Leadership, will integrate foundational classroom instruction with the required practical field experience.

**Objectives:** At the completion of this course the student will be able to:

- Identify his or her own leadership and work styles
- Demonstrate the ability to be a self-reflective leader within an organizational and/or group context
- Articulate foundational theoretical leadership constructs

This leadership class is an adaptation of the seminary’s Supervised Ministries process and therefore will require use of the *Supervised Ministries Handbook* and the *Supervised Ministries Extended Case Guidelines*. In the *Handbook* are forms and procedures for establishing expectations with your placement mentor (field supervisor) as well as mapping out the learning goals for the field experience.

**Assignments:**

1. Keep a journal of your ministry and academic experiences this term (see sample page) with the expectation that at least 3 weekly entries will be submitted to the professor for review and comment.

**Modules:** While this will be an interactive group, the general flow of the group will be:
