PRIVATE VOICE STUDY - COURSE REQUIREMENTS

1. GOAL

Each performer has certain God-given talents and gifts that they bring to singing. The lessons will help you to identify these gifts and talents and to explore and develop them.

I expect to see growth and change in each singer. You will each be at a different stage; however, you will be responsible for your own personal growth through individual instruction.

Our focus will be to grow vocally and technically. At the completion of this course, you will be able to:

- Identify the rudiments of healthy vocal production including: techniques of breath support, alignment, placement, and diction.
- Apply these rudiments to your instrument.
- Develop your own vocal capabilities through practice, performance, and critique.

2. ATTENDANCE POLICY

Each one credit lesson will be 30 minutes; each two credit lesson, 60 minutes. In case of illness or emergency preventing your participation in class, I must be contacted by you in person 24 hours before your lesson. I can be reached at 273-1949 at home. A make-up lesson will be scheduled at an available time. Otherwise, or in the case of an unexcused absence, no make-up lesson is available. Two unexcused absences result in no credit.

3. REQUIRED MATERIALS

A. Music
Repertoire is to be agreed upon by each individual student with the instructor. Most music for the quarter will be purchased by the student or borrowed from the library.

B. Notebook
Each student is required to have a notebook. It should contain:
- All handouts;
- Exercises and notes from lessons;
- Journal (personal responses to each lesson);
- Practice sheets
- Repertoire lists.
- 3 critiqued performances (voice majors);

Your notebook should be brought to each lesson and turned in on Thursday, May 10 by 4pm.

C. Tape
Each student should bring with them a good quality cassette tape to record lessons, exercises and accompaniments for further self-study between lessons.
4. **PERFORMANCE REQUIREMENT**

**NON-MAJORS**
Prepare three or more songs, one in a classical style.
One will be memorized. Students showing appropriate ability will be given the opportunity to perform in a student recital to be scheduled at the end of the term.

**MAJORS**
Prepare four or more songs, one in a foreign language. Each student will participate in a student recital to be scheduled on May 10 at 7:00 pm in McKenna.
Also, it is a requirement of the music department that each voice major give a recital for the MA degree in Church Music. The length, repertoire, and other relevant information will be discussed with the instructor and music faculty.

5. **GRADES**

Letter grades are given only to Music majors. All others are on a credit/non-credit basis. These grades will be determined by your effort, growth, and attendance.
