The Senior Reflection Seminar serves as an integrative closure to the Seminary experiences of spiritual, intellectual, personal and vocational formation. The experience is designed to foster a sense of community through peer reflection and group interaction. Major components of the course include case studies, and a Theology of Ministry paper. It is required in the final semester of a student's degree program. Two hours of credit will be given for the seminar.

ATTENDANCE: Since an inherent value of the IRC resides in the group experience, attendance is mandatory for credit in the course. No absences allowed except for extreme emergencies. The seminars will meet 9:00am – 3:00pm on the following Saturdays: February 9, March 9, April 6, and May 4.
